

After 97 years Banks Surgery will be closing its doors on 31st July 2026.

But don't worry we are not going far. Just a 5-minute walk away, we have secured a new site; Winton Neighbourhood Health Centre, 31 Alma Road. Opening on the 1st September 2026 the recently refurbished building is a purpose-built building that will allow us to continue to offer GP services in the local area for years to come.
